

All of the Hotel's rooms are comfortable and functional, equipped with private bathroom - everything you need to spend peaceful nights away from city chaos.

After an abundant buffet breakfast, you will feel primed for an intense day of sports and fun, or more simply for a relaxing walk along the many mountain pathways that start off directly from the town. For lovers of extreme sensations, the Valle di Non offers all year round the possibility of practising a large variety of sports, such as mountain biking, hiking, horseback riding, tennis, golf, orienteering, canoeing, rafting, wind-surfing (on the nearby Lake San Giustina), ski-mountaineering, cross-country skiing, downhill skiing and excursions on snowshoes (*ciaspole*).

Certain that you will enjoy our hospitality, we look forward to welcoming you for an unforgettable holiday at Hotel Revò.
